VILLA SEMARAPURA

New to the Elite Havens fold is Villa Semarapura. It's an expansive luxury beachfront villa, located between Canggu and Tanah Lot, 40 minutes from Seminyak on Bali's southwest coast. This private Bali rental villa is comprised of a series of pavilions, a swimming pool and ornamental ponds, leisurely spread throughout an expansive 5000 square metres (over one acre) of rolling lawns. All living, dining and sleeping pavilions feature glass doors that are all directed towards the sea views and the magnificent sunsets.

There are five spacious bedrooms with lavish en-suite bathrooms, an elevated open-air living room, a standalone dining pavilion, a cozy home theatre and games room with a bar, and a feature kitchen. Facilities include the swimming pool, a Jacuzzi, a car & driver, WiFi internet access and use of a tennis court. The stunning gardens, timber decks, outdoor bar and relaxation pavilions make Villa Semarapura a classic venue for Bali weddings and events.
